

Dementia Friends Information Sessions At Your Local Library

What is a Dementia Friend?

A Dementia Friend learns a little bit more about what it's like to live with dementia and then turns that understanding into action - anyone of any age can be a Dementia Friend. If you attend a Dementia Friends Information Session it is about learning more about dementia and the small ways you can help. From telling friends about Dementia Friends to visiting someone you know living with dementia, every action counts.

Information Sessions

Each Information Session lasts around **one hour**. You will learn more about dementia and how you can help to create dementia friendly communities.

We are offering eight public information sessions across the district at Local Libraries, so there is sure to be one near you. Please see below what sessions are available and how to book on.
