## Developer Forum / Workshop

### EFDC Green Infrastructure Strategy Consultation:

<https://www.eppingforestdc.gov.uk/planning-and-building/planning-policy/green-infrastructure-strategy/>

**Friday 19<sup>th</sup> June 2020, 11:00 – 13:00**

via Zoom Video Call – *details in calendar invite*

1. **Welcome, Zoom Housekeeping & Introductions** 11:00 – 11:15
2. **Local Plan Update** 11.15 – 11.20
3. **Presentation of EFDC Green Infrastructure Strategy** 11:20 – 11:40
4. **Break out groups to workshop key topics** 11:45 – 12:30
  - a) **SANG Principles:** Appendix 3 sets out the principles for SANG. Are there any barriers or obstacles that you can see with these principles and your site?
  - b) **Measuring quality:** Section 3 sets out expectations of quality. How will you ensure and/or measure quality of green infrastructure on your site?
  - c) **Stewardship:** Section 4 sets out stewardship models. What is your approach to long term maintenance and management of green infrastructure including biodiversity net gain?
- (Break) ~ 10 minutes
5. **Feedback from group workshops** 12:40 – 12.50
6. **Q&A** 12:50 – 12:00
