NOTES

1. The Historic Flood Map (HFM) shows areas that have historically experience flooding. The HFM is the maximum extent of recorded flood events from rivers, the sea and groundwater springs.
2. The HFM shows areas of land which have experienced historic flood and does not neccesarily indicate that properties experienced internal flooding.
3. Flood incident records consist of records held by EFDC, the Environment Agenct, Essex County Council and the Canal & River Trust.
4. Flood records do not neccesarily indicate internal property flooding.

INTENDED USE

This mapping is intended to provide a strategic overview of flood risk within Epping Forest District and should not be used to assess flood risk for individual properties
