Part 2

Question 1

Why do you consider that the draft Neighbourhood Plan and/ or supporting documents do/ do not meet the specified “basic condition”? Please provide a brief summary of your comments.
The Neighbourhood Plan as currently drafted does not represent a suitable position in respect of healthcare plans for acute based services, in so far as it should reflect the healthcare strategy for the area produced by the Hertfordshire and West Essex Integrated Care Board (HWE ICB), including PAHT’s investment plans and should not seek to impose alternative healthcare policies that would be beyond the remit of the draft plan and relevant Local Planning Authority. Therefore, the Plan requires amendment as identified in these representations in order to meet the ‘basic conditions’ set out in Planning Legislation referred to below.
Detailed explanation and proposed modifications. Please give further details of your opinion and the reasons for it, as well as any proposed improvements or modifications to the Plan (continue on a separate sheet as necessary).
Please see accompanying letter dated 21 st October 2024 for further details.

Question 2

Please indicate whether you would like to request to be heard before the examiner at the Neighbourhood Plan Examination Hearing: Yes / ~~No~~

If you have indicated that you wish to attend the Examination, please explain why you consider this to be necessary. Please note that this is entirely at the discretion of the examiner:
