

INFRASTRUCTURE FUNDING STATEMENT

2023/24 Monitoring Period

Contents

1	Introduction	3
2	Planning Obligations Section 106 Report.....	5
3	Additional Information	8
4	Appendix – Legal Agreements.....	11

1 Introduction

- 1.1 The Community Infrastructure Levy (Amendment) (England) (No. 2) Regulations 2019 requires any local planning authorities who collect or spend planning contributions to publish an Infrastructure Funding Statement (IFS).
- 1.2 An Infrastructure Funding Statement (IFS) is an annual report which provides a summary of all financial and non-financial developer contributions relating to Section 106 Legal Agreements (S106) collected and spent by Epping Forest District Council.
- 1.3 The aim of the IFS is to increase transparency by providing an annual statement of accounts. This report has therefore been kept succinct and factual.
- 1.4 This report provides a summary of financial contributions the Council has received through S106 in the 2023/2024 financial year monitoring period.
- 1.5 The IFS is required to provide:
 - the total amount of money to be provided under any planning obligations which were entered into during the reported year.
 - the total amount of money under any planning obligations which was received during the reported year.
 - the total amount of money under any planning obligations which was received before the reported year which has not been allocated by the authority.
 - summary details of any non-monetary contributions to be provided under planning obligations which were entered into during the reported year.
 - the total amount of money (received under any planning obligations) which was allocated but not spent during the reported year for funding infrastructure.
 - the total amount of money (received under any planning obligations) which was spent by the authority.
 - the total amount of money (received under any planning obligations) during any year which was retained at the end of the reported year.

- 1.6 Throughout the IFS there will be references to the following definitions:
- Secured – Contributions that have been agreed within a signed legal document. These contributions have not been collected/ delivered and if the planning applications are not implemented, they will never be received.
 - Received – Contributions received, either non-monetary or monetary, that have been transferred to Epping Forest District Council (EFDC).
 - Allocated – Contributions that have been assigned to specific projects.
 - Spent/ Delivered – Monetary or non-monetary contributions that have been used as intended, either by spending the allocated funds or completing the contribution as agreed.
 - This Financial Year - unless stated otherwise, this refers to the period 01/04/2023 – 31/03/2024.
- 1.7 Essex County Council will be producing its own Infrastructure Funding Statement (IFS) setting out the contributions secured by s106 agreements in the Essex County and through agreements agreed with EFDC. Infrastructure secured by S106 agreements (Education, Sustainable transport, Highways, Libraries etc. and other mechanisms for securing infrastructure (s278 & S38 Agreements etc.) including any money that EFDC has transferred to ECC will be reported in its own IFS. Information on developer contributions managed by ECC is available on their website.

2 Planning Obligations Section 106 Report

- 2.1 Planning Obligations are secured through legal agreements which can be attached to a planning permission to mitigate the impact of an otherwise unacceptable development to make it acceptable in planning terms.
- 2.2 Obligations can only be sought where they are directly related to the development, fairly and reasonably related in scale and kind to the development, and necessary to make the development acceptable in planning terms.
- 2.3 S106 contributions can either be provided on-site, for example through the provision of affordable housing, or off-site in the form of financial payments.
- 2.4 The total amount of money Secured from planning obligations during the reported year was **£500,632.09**.
- 2.4 The total amount of money Received from planning obligations during the reported year was **£1,642,668.02**.
- 2.5 The total amount of money Spent from planning obligations during the reported year was **£100,806.32**.
- 2.6 The total amount of money Received but not allocated before the reported year was **£1,622,738.45**.

Table 2.1 S106 Headline Figures 2023/2024

S106 monies Secured	£502,421.49
S106 receipts Received	£1,642,668.02
S106 expenditure	£100,806.32
S106 monies Retained	£3,164,600.15
Non-Monetary Contributions	
Affordable housing units Secured	14
Affordable housing units provided	56

Table 2.2 Summary of S106 monies Secured in the reported year

S106 Contribution	Total Secured
Primary Health	£25,208.40
Green Infrastructure/Public Open Space	£122,611.63
Biodiversity Enhancements	£14,000.00
Community Facilities	£15,811.20
EFSAC Air Quality Mitigation	£85,130.52
EFSAC Recreational Pressure Mitigation	£203,590.70
Monitoring	£34,279.64
Total	£500,632.09

Table 2.3 Summary of S106 receipts 2023/2024

S106 Contribution	Amount
EFSAC Recreational Pressure Mitigation	£173,653.42
EFSAC Air Quality Mitigation	£46,308.03
Roding Valley Green Infrastructure	£2,148.00
Green Infrastructure	£178,399.00
Primary Healthcare	£25,978.97
Controlled Parking Review	£5,843.22
Stapleford Abbots Parish Room Contribution	£141,399.13
Affordable Housing – Sum in Lieu	£1,043,794.94
Monitoring	£25,143.31

Total	£1,642,668.02
--------------	----------------------

Table 2.4 Summary of Expenditure 2023/2024

Infrastructure Project	S106 amount spent
EFSAC Air Quality Mitigation	£63,713.01
Roding Valley Recreation Ground Infrastructure Enhancement Project	£1,950.00
Waltham Abbey Wayfinding Project	£10,000.00
Monitoring	£25,143.31
Total	£100,806.32

Table 2.5 Non-monetary S106 Contributions: Affordable Housing 2023/2024

Reference	Units secured*
Gypsy Mead Works (EPF/0016/19)	9
Roundhills (EPF/1869/21)	5
Total	14
Reference	Units delivered
Land at Stoneshot Farm (EPF/3500/17 & EPF/2932/20)	18
Epping Forest College (EPF/2905/19)	22
Shernbroke Hostel, (EPF/2609/19)	16
Total	56

**This does not include units proposed on small sites as part of the EFDC Council Housing building programme. Affordable Housing provision outside of S106 Obligations are identified in the EFDC Local Plan Annual Monitoring Report.*

Other expenditure of Section 106 receipts in 2023/24

2.6 In the last financial year, no money received through planning obligations (whenever agreed and money received), was spent in 2023/24 on repaying money borrowed, including any interest.

2.7 During 2023/24 the Council agreed, through signed S106 agreements, that Monitoring Contributions paid by developers would be used for the purpose of monitoring S106 Obligations.

Sovereign Network Group S106 Affordable Homes delivered at the Borders Lane development in Loughton. Overall, there will be 65 apartments for affordable rent and 42 for shared ownership with properties ranging from one-bedroom to four-bedroom family sized homes. The wider development includes 424 homes which are being built by Fairview New Homes.

3 Additional Information

3.1 Contributions towards the Interim Mitigation Strategy to manage the impact on recreational pressure on Epping Forest Special Area of Conservation (EFSAC)

3.1.1 Epping Forest (the Forest) was a former royal forest and provides a large open space for the recreation of people living in London but also for residents from within and beyond Epping Forest District. It covers some 2,400 hectares and is run by the Conservators of Epping Forest owned and managed by the Corporation of London. The Council expects all relevant development proposals to assist in the conservation and enhancement of the biodiversity, character, appearance, and landscape setting of Epping Forest SAC.

3.1.2 An Interim Approach to Managing the Recreational Pressures on the Epping Forest Special Conservation Area (SAC) was adopted by Cabinet on the 18 October 2018. It is a material consideration in the determination of planning applications and permitted development right proposals for residential development which would result in net increase in new homes within the Epping Forest District administrative area.

3.1.3 The Interim Approach identifies schemes and their associated costings developed and programmed to cover the period up to 2033. Under the Interim Approach contributions of £1,852.63 per additional dwelling are sought from individual residential development schemes within 0-3 km's and £343.02 within 3 to 6.2 km's of the Epping Forest SAC boundary. The route for securing the contributions is by way of a Section 106 agreement in accordance with the Strategy.

3.2 Contributions towards The Interim Air Pollution Mitigation Strategy for EFSAC

3.2.1 The Interim Air Pollution Mitigation Strategy for EFSAC was adopted by Cabinet on the 20 December 2020. It is also a material consideration in the determination of planning applications and permitted development right proposals for residential development which would result in net increase in new homes within the Epping Forest District administrative area.

3.2.2 The Strategy has been developed to provide a strategic approach to mitigating the effects of development on the integrity of the Epping Forest SAC in relation to atmospheric pollution. It has been developed to support the implementation of policies contained within the Local Plan and specifically policies DM2 and DM22. It is clear from the evidence that without appropriate mitigation development proposed through the Local Plan, in combination with other plans and projects, would have an adverse effect on the integrity of the Epping Forest SAC as a result of atmospheric pollution.

3.2.3 The Epping Forest SAC is bisected by a number of roads which serve communities in Epping Forest District and beyond. New development, primarily for housing and

employment, will result in increases in traffic on those roads. Traffic modelling has been used to inform air quality modelling, if no mitigation measures are introduced, air pollution arising from vehicles will have further harmful effects on the health of the qualifying features within the Epping Forest SAC compared to a situation with no growth. It is important to recognise that whilst vehicles are a contributing factor, there are other activities that are also having an adverse impact on the ecological health of the Epping Forest SAC.

3.2.4 The Strategy has been developed to address the effects of atmospheric pollution arising primarily from new development proposed to be brought forward within the district and sets out how these mitigation measures will be implemented and how the efficacy of those mitigation measures will be monitored and reviewed. The financial contributions to be secured are as follows:

- The Garden Communities (GCs): £232 per dwelling.
- North Weald Bassett Masterplan Area and South of Epping Masterplan Area: £641 per dwelling.
- Smaller sites (including windfall sites) and the Waltham Abbey Masterplan Area: £335 per dwelling.

3.3 Infrastructure Delivery Plan (IDP)

3.3.1 The Epping Forest District Local Plan sets out the strategy in Policy SP2 to meet the housing requirement of 11,400 new homes and around 10,000 new jobs over the Plan period (2011-2033). This growth comes with a need for supporting infrastructure including transport, education, health, and community facilities to mitigate development impacts and support new communities.

3.3.2 The IDP formed a key evidence base document for the Independent Examination of the Local Plan and identified infrastructure required at different spatial scales for Epping Forest District for the period up to 2033. The Harlow and

3.3.3 The IDP is a “live” document updated to take account of the evolving plan making development and required changes in infrastructure provision. The Harlow and Gilston Garden Town IDP 23/24 provides an update to the IDP with specific reference to development within the Garden Town.

3.4 Planned Income and Expenditure

3.4.1 The IDP sets out how the s106 income will be spent and prioritised over the plan period. The level of s106 contributions will depend on the nature and scale of the development, the number of implemented permissions, build out rates and the phasing of development etc. and the contributions must be spent in accordance with the terms of any agreement.

3.4.2 Sections 4.1 and 4.2 of the IDP shows of the District Wide and Garden Town Strategic Sites S106 Infrastructure within the District with delivery phasing identified in IDP in the next 5 years (and beyond).

Appendix

Appendix

Section 106 (Legal) Agreements Entered into by Epping Forest District Council – 2023/2024

Application No	Site Address	Description	Deed Signed
EPF/2417/22	67 Palmers Grove, Nazeing, Waltham Abbey, EN9 2QE	Construction of new dwelling with associated car parking	06/04/2023
EPF/1984/22	Units 12, 14 and 15 Arlingham Mews, Sun Street, Waltham Abbey, EN9 1ED	Change of use of three vacant retail units, to two one bed flats.	19/04/2023
EPF/0807/22	Warren House, Epping New Road CM16 5BB	The planning permissions granted by the Council in 2015 (EPF/2723/15) and 2016 (EPF/1127/16) for the demolition of the existing dwelling and ancillary outbuildings and the erection of two new dwellings, one as a replacement to the existing dwelling and ancillary outbuildings and one to replace the original fire damaged property.	20/04/2023
